ALPPILAAKSON HAPPY HENRY 38768/07

Correct in type & size with good expression for a male. Sufficiently big head. Correct on topline, although tail is a little bit too low set. He's better when he's standing than in the movement, because of short step.

Proportional in excellent condition but with wrong head expression because of long nose. Nevertheless he moves with full fire & balance.

DIEGO 29553/07

NUO H

Correct in size & general appearance with malish head. Nose slightly too long & neck slightly too short. But topline rather correct with exception of not so highly set tail. Very French forelegs. He doesn't want to move with proper coordination. He is a little bit shy. The rest is OK.

Not extremely masculine in expression, but very proportional with nice temperament & excellent movement. Somewhat too long nose. Needs a little bit more coat on the head. Still waiting for development.

LUCKY WHITE DOUBLE AGENT 27393/07

PODUNK BAD GIRL 28596/07

Feminine in style with very big temperament & dynamic movement. But she is too upright in front & her hind legs are barrel shaped when going.

STARRING SVETLANA 48779/07

NUO EH 2

Excellent in type, size & general impression. Feminine in expression with very nice total view but with some faults also: French forelegs and too close hind legs when she is going.

HAPPY STAR URWISKA SZKOCJI 48582/05
