

Honkajoki 9.8, Lessi Chistyakova, Venäjä

EXCITING AGATHA 12938/09

PEN 2.

Typical young female, 7 months old. Needs time for develop. Typical head. Needs better stop. A little bit long muzzle. Good earset. Skin pigmentation could be darker. Good body proportions. Good body for her age. A little bit straight on front, god behind. Excellent coat structure for her age. Good balance on her movement. Promising.

HIDDEN SCARLETTA 12760/09

PEN 1. kp ROP-pentu

Very typical young female. Good type & size for her 7 months. Feminine head, lovely proportions. Dark pigmentation. Good set of eyes & ears. Good stop. Compact body. Topline could be stronger. Needs better angulation behind. Good coat for her age. Needs more push on her movement.

DIMO 51626/08

JUN ERI 1 PU-3 varasert

Typical young male. Excellent type & size. Nice head proportions. Excellent set ears. Good set eyes. Stop could be more higher. Compact. Good developed body. A little bit low set tail. Angulation fore quarters could be better. Have good balance in movement. Good coat structure but I prefer more white, clearer.

GLEIZZ JUICY FRUIT 54196/08

JUN H

Typical young male. Needs time for develop. Good size, bone, much substance. Head needs more time for develop. Little bit long muzzle. Stop must be more higher. Good set of ears. Skin pigmentation could be more darker. Low set neck. A little bit soft topline. High set tail. Needs more angulation front & behind. Coat is not prepared for show.

OSVAN UNIKUM KISS 10007/09

NUO EH 1

Typical young male. Good type & size. Nice head. Needs better stop. A little bit narrow set eyes. Good set ears. Excellent dark pigmentation of skin. Long, low set neck. Short in withers. Strong topline. Very compact body. A little bit low set tail, "gay tale". Fore quarters could be better. Excellent coat, good prepared. Good movements.

LOVING YOU LIVERPOOL 36491/07

AVO ERI 1 PU-1 sert > FIN MVA VSP

Typical male. Strong bone, good body substance. Nice type. A little bit much big. Beautiful head with lovely proportions. Dark eyes, dark skin. Good set ears. Beautiful neck. Compact body with strong topline. Tail could be higher set. Good angulation in front, needs better in hindquarters. Needs better push in the movement. Excellent coat.

LUCKY WHITE DOUBLE AGENT 27393/07

AVO EH 2

Typical 2 years old male. Good type & size. Typical head. Needs better stop. A little bit narrow set eyes. High set little ears. Good skin pigmentation. Strong body & topline. A little bit straight angulation front. Neck could be higher set. Good angulation in behind. Good push in movement. Coat must be better prepared.

UNIQUE ON GLADIATOR MAXIM 22237/07

VAL ERI 1 PU-2

Typical male. Good type, size. Good body substance. Nice head proportions. Pigmentation could be darker. Neck could be higher set. Short in withers. Needs better angulation in front. Compact body. Tailset could be higher. Good coat structure. Movement in front could be more free. Push is very nice, back angulation is good.

IMPI 32120/08

JUN H

Typical female, not in best condition today. Much substance. Typical head, needs better stop. Ears could be higher set. Neck could be higher set. Is little bit long in body. Tail could be higher set. Needs better angulations in front & behind. Coat is not show condition.

ISABELLA 32121/08

JUN H

Typical female. Good size. Body could be more compact. Feminine head. Needs better stop, higher set ears. Narrow set eyes. Low set neck. Strong topline. Good set tail. Needs better angulation front & behind. Good structure of coat, but not good prepared for today. Needs better movement.

LUCKY WHITE EXCITING LADY 49359/08
